

JOHN THOMAS—HEIRS OF.

MAY 4, 1860.—Laid upon the table, and ordered to be printed.

Mr. DELANO, from the Committee on Revolutionary Pensions, made the following

REPORT.

The Committee on Revolutionary Pensions, to whom was referred the petition of the surviving children of John Thomas, late of Georgia, for arrears of pension for their father's services, report:

That the evidence in this case shows that the said John Thomas never applied in his lifetime for a pension, and there is no special equity in the matter; that it is one of a large class which come under the rule adopted unanimously by the committee, "that where no application was made in the lifetime of the soldier, the petition would not be entertained." They therefore ask to be discharged from the further consideration of the case.
